FROM: Jeromy Johnson

DATE: 03/22/04

SUBJECT: Petition to withdraw holding of abandonment based on failure to receive office action.

On February 2, 2004 I received a Notice of Abandonment that stated that I failed to timely or properly reply to the Notice to File missing parts mailed on 03/28/02. I never received the notice to file corrected application papers in the mail. If I had received this notice I would have promptly returned the corrected papers. I have no doubt that the notice was sent but because I never received the notice it is my belief and conclusion that the notice was lost in the mail. I have been working on this invention and patent for more than 5 years and would hate to start back at square one because of something that was unavoidable and out of my control. For the record, I would like it to be known that ever since my application was sent I have kept a file folder with all documents and mail pertaining to the filing. An activity docket has been kept through out the process and entries recorded to keep track of my filing. Everyday the mail was checked by me and if anything pertaining to my filing was received it was immediately filed it in my patent document folder. In this petition to withdraw holding of abandonment based on failure to receive office action I have attached my activity docket for further evidence that the notice for corrected papers were never received.

Thanks,
Jeromy Johnson
